

Making it Easy at our Design Studio

Preparing for your design appointment.

Our knowledgeable Design Studio Team will assist you in making your new house into your dream home. There are hundreds of options available to suit almost any style and budget so you can easily Make It Yours.

It's never too early to start thinking about the finishings in your home. Here are some steps to get you started:

1: Get inspired/find your style.

Flip through magazines and look online to identify images and finishes that speak to you. Start an "Inspiration Board" of your favorite pics on Pinterest or other online sources.

2: Browse

Browse Nirvana model homes/showhomes to see the different finishes, colours and plan enhancements available.

3: Visit

To become familiar with all the many finishes and options we have to offer, we encourage you to visit our Design Studio during browsing hours - as often as you wish.

4: Make it happen.

Think about your budget; use our handy online calculator to decide how much you'd like to spend to enhance your home.

5: Make it Yours.

Before your appointment, we'll inform you of the different payment options available to you, so that you can come prepared. At your Design appointment, you will work one-on-one with your Design Consultant to bring your ideas to life.

Enjoy the Journey
